## **The Superhero Saves the Day!**

Zoom! Flies the superhero to save the day...

Through *(child's name)*'s legs,

And around ( )'s head.

He darts over ( )'s shoulder,

Under ( )'s foot,

And between ( )'s fingers.

Oh no! The cat is stuck in the tree. *(bring hand to mouth in astonishment)*

Can the superhero help? Oh, just wait and see!

Zoom! Zoom! Flies the superhero...

Across ( )'s eyebrows,

Up the tree. . . *(fly superhero upward)*

He grabs hold of the cat. *(reach and clench fist like you are grabbing something)*

What a fine sight to see! *(give a thumbs up)*

Just like that!

The superhero saves the day.

Hooray! *(clap and cheer)*

## **The Fairy Saves Spring!**

Twitter-Flitter, pixie dust,

The Fairy flaps her wings, just as she must...

Through (*child's name*)'s legs,

And around ( )'s head.

She darts over ( )'s shoulder,

Under ( )'s foot,

And between ( )'s fingers.

The snow has fallen deep,

But with a quiet little peep, (*bring finger to mouth in a whisper*)

The flowers begin to grow.

She sprinkles her magic, (*pretend to sprinkle*)

The snow melts away, oh so tragic, (*bring hand to mouth in astonishment*)

As bulbs grow higher and higher to the sun! (*reach up high in to the sky*)

Flying here, flying there, (*move fairy slowly back and forth*)

Flying everywhere, (*move fairy in a circular motion*)

She cheers as her work here is done! (*child and parent clap and cheer*)
